WOOSTER
HIGH SCHOOL
WOOSTER, OHIO

PHOTOGRAPH
BY L. VODRA

What does the *Annual* mean to you? If you have just completed the seventh grade, perhaps it means a record of your first year in a "big" school. If your freshman year has just come to a close, the *Annual* means memories of your first year of membership in those organizations you've been longing to join. If you are a senior and Commencement is a thing of the past, the *Annual* will mean lasting memories of your final and most wonderful high school year. Here you will find pictures of your classmates, your own feature section, and mementoes of everything that made your senior year what it was.

Regardless of what your class may be, this yearbook is yours. Without you there could be no *Annual*. Thus we dedicate our 1956 *General Annual* to you, the students who make Wooster High what she is. May it be for you a record of a year well spent.

PRINTING PLATES FOR THE *GENERAL ANNUAL* WERE PRODUCED BY
THE NORTHERN ENGRAVING AND ELECTROTYPE COMPANY,
CANTON, OHIO.

MR. ROLAND W. SAYRE

OUR PRINCIPAL

Although Mr. Sayre is new to our school this year, he has become a friend to all of us. The seniors in particular realize the long hours he has put in helping students to make wise decisions concerning the choice of a college or of a future vocation. In the one short year that he has been with us, Mr. Sayre has made himself a real part of Wooster High.

ASSISTANT PRINCIPAL and DEANS

This year Mr. George Nickles has been Assistant Principal. Mrs. Edith Joss has been Dean of Girls, and Mr. Randall Hartley, Dean of Boys.

MR. NICKLES, MRS. JOSS, MR. HARTLEY

OUR SUPERINTENDENT

Supervising the entire public school system makes Mr. Bodenbender a busy man; however, he is never too busy to help a student with any problem which may arise. He shows us throughout the year that he is genuinely interested in each one of us and in Wooster High as a whole. We are lucky to have a superintendent who is such a loyal supporter of our school.

MR. D.P. BODENBENDER

ASSISTANT SUPERINTENDENT and TESTING SUPERVISOR

MR. BEECHY

MR. DODEZ

This year Mr. Ralph Beechy has been Assistant Superintendent. Mr. Paul Dodez has served as Testing Supervisor.

Mr. D. P. Bodenbender, Mr. Emmett D. Miller, Mr. Donald S. Bell, Mr. Harold Gerberich, Mr. William I. Schreiber, Mr. Chester E. Shamel

THE BOARD OF EDUCATION

The 1955-56 school year has been a busy and successful one for the Board of Education. During the year accomplishments have been made in two major fields.

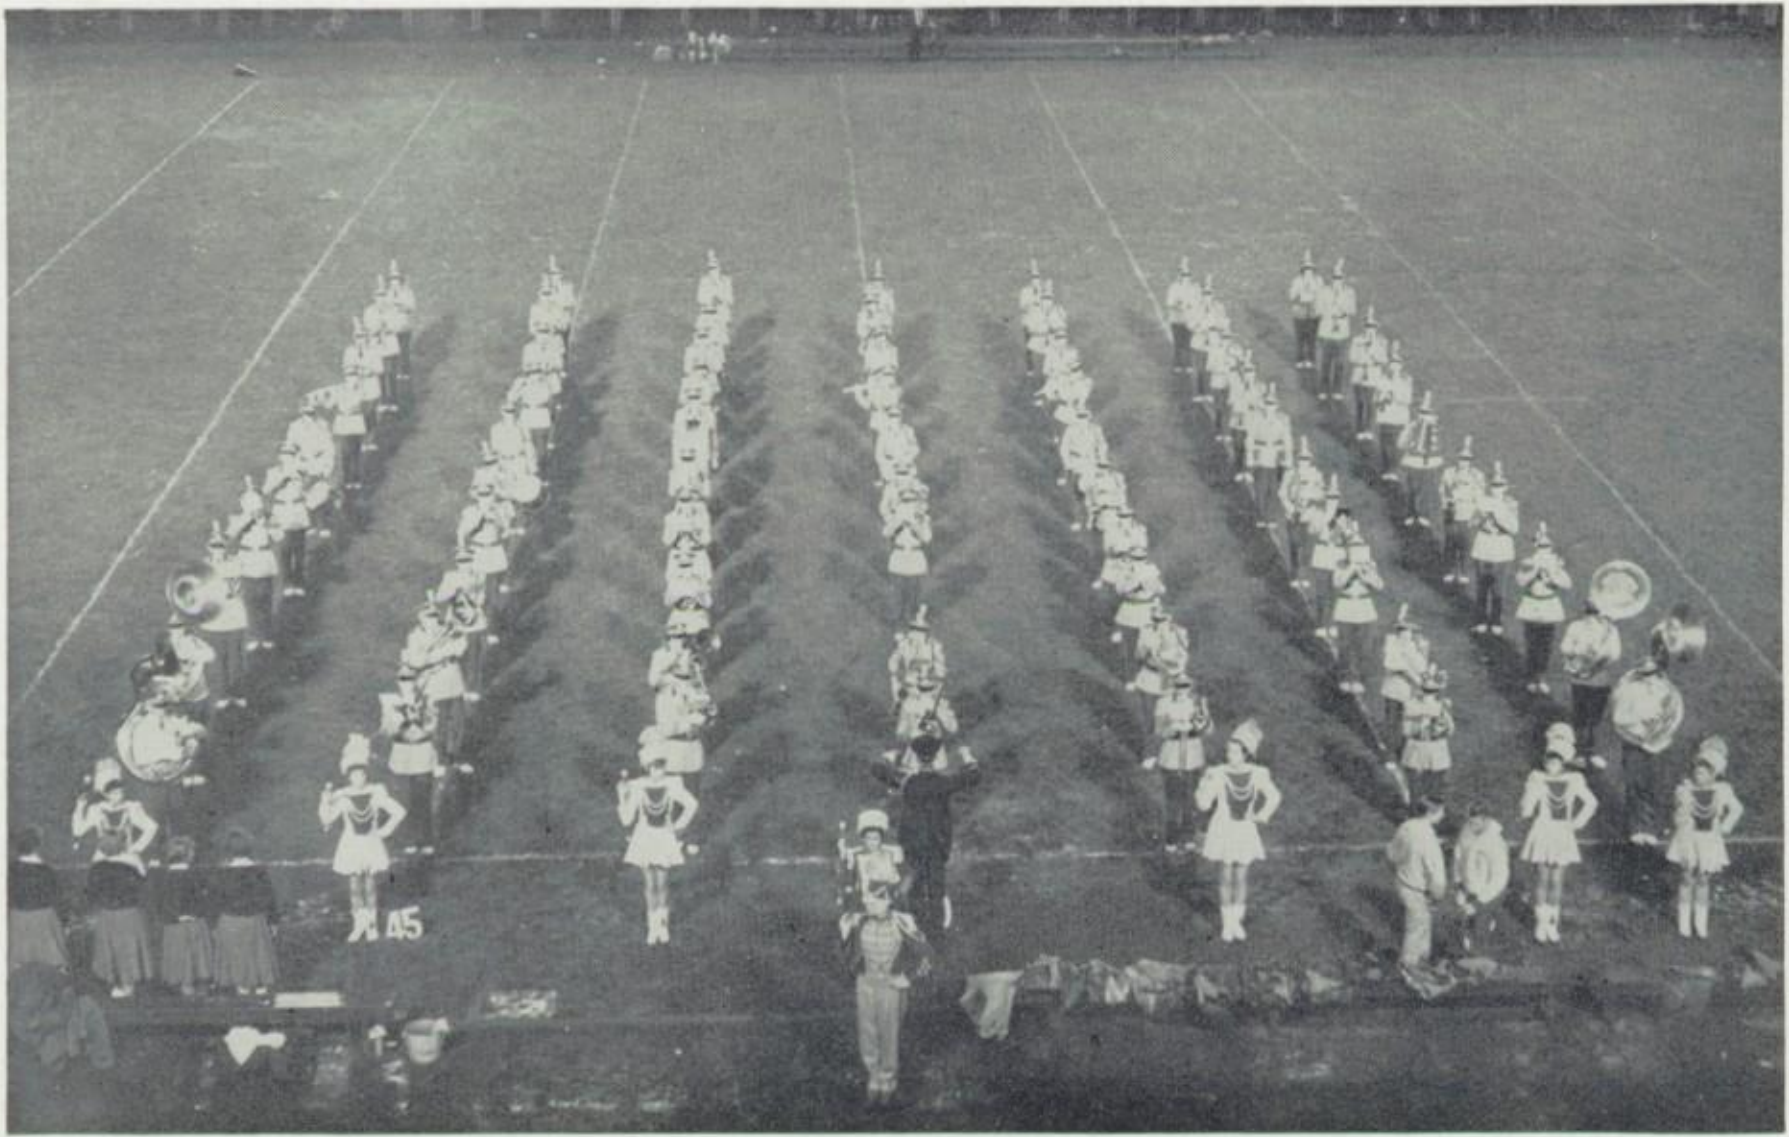

In the field of organization there have been several "firsts." This has been the first year that all elementary principals have been assigned to fulltime administrative positions. For the first time this year the high school has had both a Dean of Girls and Dean of Boys assigned as such. This is also the first year that the principal has had an assistant. This change was made with the understanding that when the Junior High is completed in the fall, the high school assistant principal will become principal of the Junior High. This is the first year that the Board has had a fulltime clerk.

As always, building has been an important consideration for the Board. During the year the members have seen the completion of the new eleven-room Parkview elementary school and have approved the addition of a cafeteria and handicraft rooms to the present Bowman Street school. This change will make possible the use of Bowman as a Junior High in the fall. The Board has approved plans for a completely new shop program and gymnasium for Wooster High, both of which are now under construction. Finally, plans have been tentatively approved for a new suite of high school administrative offices in the near future.

During the year Mr. Chester Shamel was elected to the Board. The Board joined the newly organized State Board of Education. Previously it had belonged to the Northeastern Ohio organization. The Board of Education puts in many long hours endeavoring to give the students of the Wooster public schools the best school system possible. "The members of the Board," says Mr. Bodenbender, "deserve much credit for their willingness and desire to give of their time unlimitedly to furthering the cause of education in our community."

THE ALMA MATER

Oh, come, let's sing our Wooster's praise
And songs to Alma Mater raise;
And for the school we hold most high,
We'll raise our voices to the sky.
To her, we pledge our hearts and hands,
And loyal to her each one stands;
Preserve her honor, far and near,
Because we love her, Wooster dear.

STUDENT COUNCIL

The purpose of the Student Council is to represent the student body in solving mutual problems of students and faculty. It is primarily a service group.

Each homeroom from seventh grade through eleventh grade elects one delegate and one alternate; two senior homerooms and one freshman homeroom elect three delegates and three alternates each. There are thirty-one homerooms.

Student Council this year attempted to improve the noon-hour monitor system by having a committee of students and faculty suggest definite rules of conduct, mimeographed copies of which were placed in the hands of each student. These suggestions were approved by the vote of faculty and student council. Monitor ribbons for identification of the noon monitors were also made. A system of corridor passes was set up for those students wishing to be in study hall during the noon hour.

Other projects and activities of student council were taking tickets at paid assemblies; revision of the constitution; promotion and sale of student activity tickets; annual magazine sale; decoration of the large Christmas tree in the high school entrance; sponsoring of Parents' Night at the Ashland basketball game(jointly with the boys' "W" association); soc hop following a basketball game; the March of Dimes assembly; bake sale; attendance at a hockey game; visitation of student councils of other schools of comparable size; and plans for an orientation program at the beginning of the next school year.

NATIONAL HONOR SOCIETY

One of the most respected clubs is the National Honor Society. It is an honorary organization for those who have achieved recognition in the fields of scholarship, leadership, and service. The student must be active in extra-curricular activities as a leader, and scholastically, he must be in the upper third of his class. He is also judged on service and character by a vote of the faculty and students.

Of each class, fifteen per cent are admitted. Five per cent are inducted in the junior year; the remaining ten percent, in the senior year.

The beautiful candlelight induction service is held in the spring. New members are told of the high ideals of the society and are challenged to strive toward these goals.

GENERAL STAFF

The *General* staff made several changes in the bi-weekly paper this year. The four page publication was enlarged to a five column width, thus making possible the printing of more pictures than ever before. The first issue was given free to each student and teacher on the first day of school. Highlights of the year were the eight page Christmas issue, and the Homecoming issue with a "scoop" on the queen. The Track Queen was also announced by the *General*, and programs for football games and the night relays were handled by the staff.

In March the paper sent three students to New York for the CSPA convention.

NATIONAL FORENSIC LEAGUE

The 1955-'56 season was a noteworthy one for the local speech department for several reasons. In December, Wooster took second place at its own tournament, which was sponsored by the Rotary Club. Students also attended practice tournaments at Massillon, Cathedral Latin, and Wadsworth. The debaters participated in sixty interscholastic debates and won forty.

This year Wooster again qualified a debate team for state competition. Competing for state honors in debate were Dave Bode, Tom Henderson, Dave Loeliger, and Roger McManus. These boys placed third in the state. Two in individual events—Christine Coolidge in extemp, and Judy Grosjean in dramatic—also went to state.

CLIFTON LAYTON CLUB

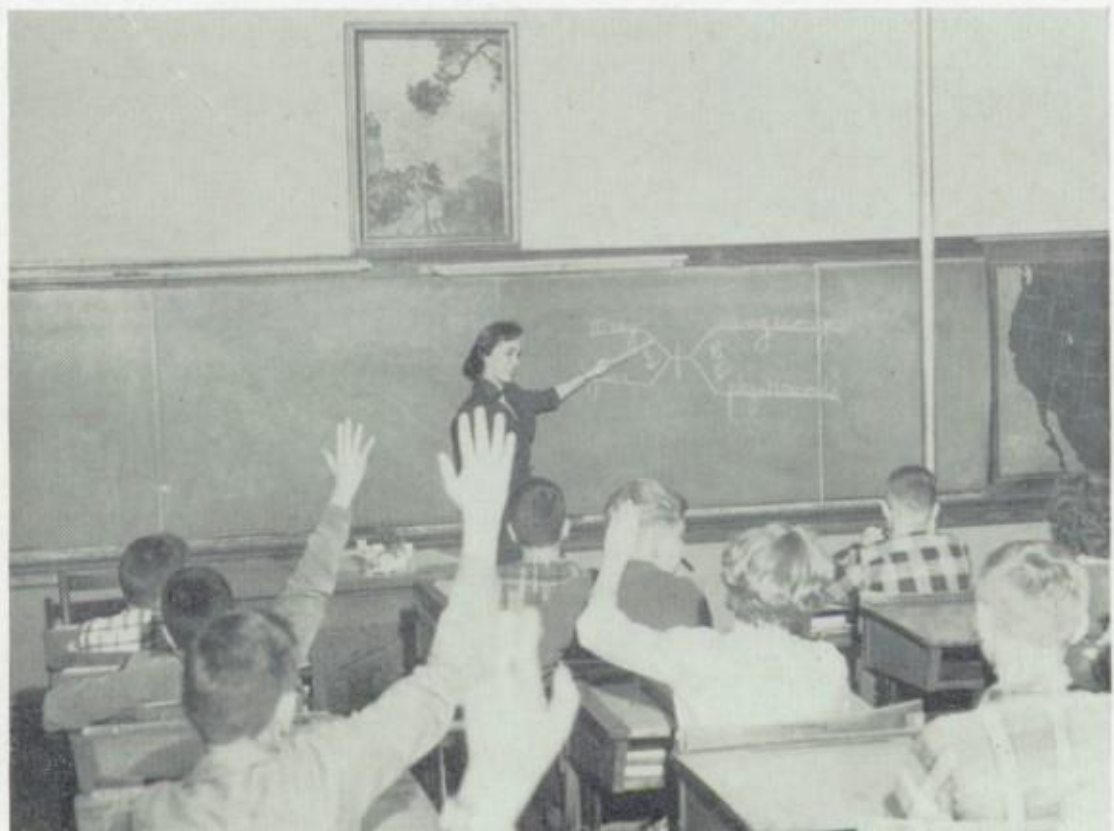

The Clifton Layton Club of Future Teachers of America is affiliated with the state and national organizations of ETA Membership includes sophomores, juniors, and seniors interested in the teaching profession.

FTA projects for the year included grading papers, taking classroom attendance, observing and helping in the elementary schools for two half days, selling bookcovers, and ushering at various school activities.

Delegates from the club attended the NEOTA convention in Cleveland in the fall as ushers. At Christmas time members of the club bought gifts for a needy family in this area. The club sent delegates to the state FTA Convention in Columbus in April.

SOCIOS ESPANOLES

Spanish Club is made up of the pupils studying Spanish. Each pupil has the privilege of coming to the club meetings which were usually held in the home of one of the members and each person attending contributed a small amount of money for refreshments. Movies of Latin American countries were shown, Spanish songs were sung, and recreation was included in the meetings. The meetings were scheduled for the third Thursday of each month. There were two picnics—one in the fall honoring the juniors, and one in the spring honoring the seniors.

The redemption of tax stamps made possible having Miss Dorothy Peck, a senior at Wooster College, spend twenty minutes with the classes twice a week. Miss Peck, daughter of missionary parents, has spent most of her life in Guatemala.

There was a combined picnic of Spanish and French Clubs in the fall and another combined party at Christmas.

LE CERCLE FRANCAIS

French Club started this year with a Spanish-French Club get-acquainted picnic sponsored by the senior members.

At Christmas time, a covered dish dinner was held in the cafeteria with the Spanish students. The evening was spent playing games and singing and was climaxed with the breaking of the Pinata.

Other meetings were held at the club members' homes. Movies of France, her customs and culture were shown.

Redemption of tax stamps enabled the classes to have Mlle. Francoise Mazet speak with them each Monday.

The seniors were bid farewell at a picnic in May.

IUVENES ROMANI

The second-year Latin Club of sixty members included in their program an opening social program, a combination quiz program based on Latin, a dramatization from "Helen of Troy," and a guest speaker. The most exciting event of the year was the authentic Roman banquet which included a typical Roman menu "ab ovo ad mala" and entertainment between courses in true Roman fashion.

SOCIETAS ROMANA

Societas Romana is an organization composed of students of the first year Latin classes. Its purpose this year was to foster a deeper appreciation for, and a better understanding of, not only the Latin language, but of its people and their civilization.

With this purpose in mind the program committee arranged for a meeting at which Judge Walter Mougey talked and showed pictures taken on his recent trip to Rome. "Italian Music" was the program presented by Miss Constance McPherson, and the last meeting was a play given by members of the club in which the school life of Roman boys and girls was depicted.

A Christmas party, at which baskets were packed for a needy family, a pot-luck dinner, and a picnic constituted the social functions for the year.

F B L A

FBLA is a national organization whose purpose is to increase interest in the secretarial field. The members strive to develop personality traits desirable for a good secretary—dependability, accuracy, courtesy, honesty, and neatness. Through reports from speakers and information from projects, the club endeavors to attain these qualities.

Any sophomore, junior, or senior who is enrolled in a business class is eligible for membership in the group.

DECA

Distributive Education is that phase of vocational education that helps to prepare students for careers in retailing. In the DE classroom the students learn the theories of retailing. Through work in the Wooster stores they put into practice the theories they have learned.

The fund-raising activities consisted of cupcake sales, collecting of tax stamps, and working at the concession stands at both football and basketball games. Raising these funds enabled the class to attend the Northeastern Regional Convention at Kent State University. In February the students sent two official representatives to the State DECA Convention at Columbus. They sponsored a Christmas party at the Children's Home and contributed to Red Cross and March of Dimes. The class took field trips to the Wooster Rubber Company and the Wooster Brush Company.

For entertainment, the club had several parties.

In April the Employers Appreciation Banquet was held. This was the climax of the year's activities and was the club's way of expressing appreciation to the employers.

F H A

FHA business meetings were held the second Tuesday of every month. The chapter attended two bi-county meetings in which all the chapters in Holmes and Wayne counties were represented. Two regional meetings were held at Jewett, Ohio. Three girls were sent to the state convention at Columbus in April.

Money making projects were cup cake sales and a round and square dance open to the school.

The social activities held with the FFA boys were Halloween and Christmas parties and a roller skating party. A mother-daughter tea was held in May.

At this tea the new officers for '56-'57 were installed. For the program several girls participated in a talent show which was followed by refreshments.

During the past year twelve girls received their Junior Homemaker degree and two girls received their Chapter degree.

FFA

The Wooster Chapter of the Future Farmers of America completed another busy and successful year. The chapter was represented at the national convention at Kansas last fall by Mr. Boling, Herb Berry, Jim Winkler, and Paul Carson. Dale Ring, a member of the chapter who graduated in 1953, received the degree of American Farmer and was elected Regional Vice-president. At the State Convention the land judging team were Albert Myers, Gerald Stair, and Don Rhamy. Albert Myers and Bob Hastings were the official delegates to the convention. This year Marcus Sigler, a freshman, received the heifer from the heifer chain and Tom Bahl received the gilt from the newly formed gilt chain. The chapter won first place in the Parliamentary procedure contest, a silver award in the Highway Safety contest, and a silver award in the Community Improvement contest. Herb Berry was the county winner in the extemporaneous division of the Public speaking contest. Herb went on to win first place in the state in this field and received a trophy plus a check for one hundred dollars. Dick Gilmore was the recipient of the chapter Bankers' award. Some of the other activities of the FFA included a series of six radio programs, a scrap drive, parties with the FHA, parent and son banquet, pest hunt, and a three-day tour of Detroit and Greenfield Village.

FILMBREAKERS

The Filmbreakers Club is composed of ninth, tenth, eleventh, and twelfth grade boys who are interested and willing to use part of their study hall periods for operating movie and film strip projectors for classes. The members are also kept busy getting and returning films to the library, taking films to the post office, and showing films for clubs.

The boys got their assignments from Mr. Maurer each morning between 8:10 and 8:30 for that day. Meetings were held on Wednesday during the activity period. Problems pertaining to the club's activities were discussed.

Besides relieving the teacher of the responsibility of getting equipment and projecting the visual materials, the boys also had an opportunity to learn from the films they saw.

LIBRARY CLUB

Library Club is one of the few organizations in the high school that is composed of both junior and senior high members. To be eligible for the club, a student must have an interest in library work and spend at least one period a week helping in the library .

This year was not all work and no play for the club. All the faculty were invited to a tea in the fall at which time new books were exhibited. In December the members held their annual pot-luck dinner. The senior farewell party in the spring completed the social activities of the club.

JUNIOR RED CROSS COUNCIL

This year under the presidency of Barbara Hosmer, the Junior Red Cross Council was very active. The Council had a successful membership drive at the beginning of the year. An International School Exhibit Program was the main project that the Council decided upon. For this International Program, a portfolio of art pictures, essays written about school activities, printed material, photographs, industrial art and home economic objects made by students of Wooster High were sent overseas. The object of this program was to show school life in the United States. As a service to the community, the Council sponsored a Christmas program given for the Apple Creek State Institution.

BOYS "W" ASSOCIATION

Since its organization after several years of inactivity, the Boys "W" Association has become one of Wooster High's most hard-working organizations. In the past year the boys have parked cars and ushered at football and basketball games, supervised fourth and fifth lunch hour recreation in the Co-ed room, sponsored a foul-shooting contest, and set up a wrestling tournament.

The club, made up of boys who have earned their letter on a varsity squad, is led and advised by a coach whose sport is in interscholastic competition at that time. Thus, all the coaches in the athletic department at Wooster are Boys "W" advisers.

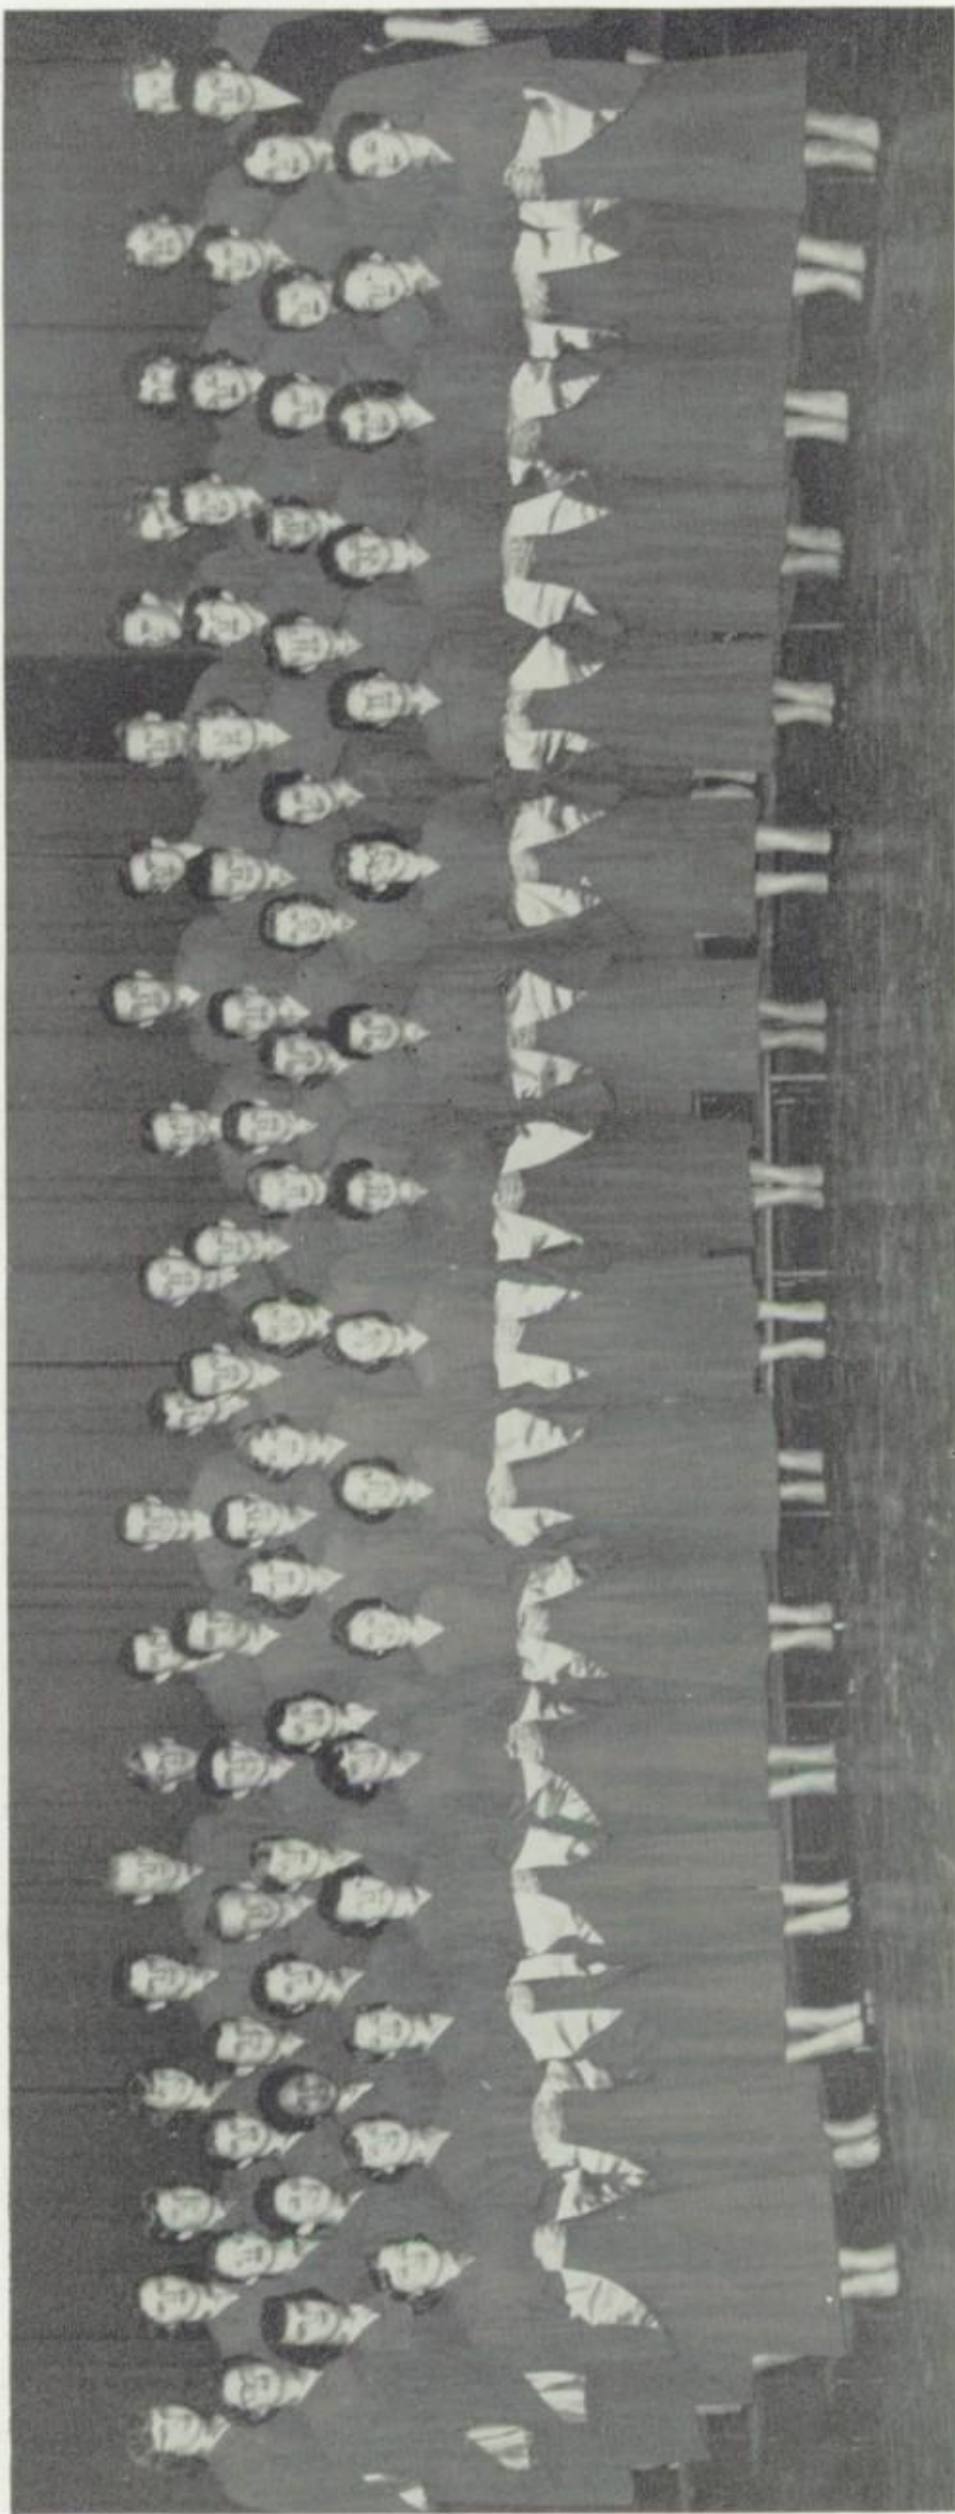

"W" members supervise Club Co-ed room at noon.

Officers elected for this year were Jim Danner, president; Bud Kinney, vice-president; Devonne Sigler, treasurer; Hal Yoder, secretary.

SENIOR CHOIR

The Senior Choir has completed another enjoyable and successful year under the direction of Mrs. Paul Ladd. Their first appearance was at the annual Christmas Sing with Pat Raucci, Marilyn Sidle, and Roger McManus singing solos in the traditional *Birthday of a King* and *Cantique de Noel*.

The choir traveled to Massillon where they participated in a Choir Festival with other choirs from this district. Mr. Maynard Kline gave constructive criticisms to each choir as well as directing the choirs in mass singing.

A girls' ensemble, a boys' ensemble, and a mixed ensemble were formed from the choir. They participated in contests held at Kent. After much hard work and practice, the choir presented the Spring Concert. The choir was accompanied by the orchestra in the singing of "Gloria" by Mozart and "Tribute to Romberg." The choir completed its season by singing at Baccalaureate and Commencement.

ORCHESTRA

The High School Orchestra under the direction of Mr. Nickles completed another successful year. This group, although getting a late start because of football season, presented the first of the music department's spring concerts. This concert, presented on April 20, included many old favorites of orchestral literature. "Introduction to Act III from Lohengrin," the sweeping, melodious "Andalucia Suite," Beethoven's "King Stephen Overture," Sammartini's "Symphony in D Major," and the "Three Brothers Overture" were some of the numbers featured on the program.

Thirteen members participated in the Northeastern Ohio Regional Orchestra held at Kent on January 21, and from this group five regular members and one alternate were chosen to play in the All-Ohio High School Orchestra at Springfield, February 18 and 19. These musicians were Margaret Litwiler, Christine Coolidge, Evelyn Englander, Malcolm Litwiler, James Schreiber, and Bob Jones.

The Orchestra assisted the choir at the choir concert in presenting two numbers. This organization closed its season by furnishing music for the spring play, Baccalaureate, and Commencement.

BAND

Still growing! The 1955-56 Wooster High School Marching Band under the baton of Mr. George K. Nickles started the year with its fast-stepping, quick-maneuvering band shows at the intermission time of the football games. The band played for all home games (in mud and rain) and three "away" games at Berea, Ashland, and Orrville. Led by Drum Major Bob Bahl and Head Majorette Judy Grosjean, the Generals did themselves proud on the field. The "Bullfight," the dance to "Twelfth Street Rag," the animations of fire trucks, hay loaders, hammers and nails, and their criss cross entrance were some of the more outstanding stunts.

FRESHMAN GIRLS CHORUS

Under the direction of Mrs. Paul Ladd, the Girls Chorus completed another fine year of singing. This group, composed of seventy-six ninth grade girls, was accompanied by Kathleen Young. The initial appearance of the chorus was at the annual Christmas Sing where the girls sang a group of three numbers. A member of the chorus, Susan Conrad, sang one of the solos in the "Cantique de Noel." The chorus concluded its season by singing three numbers at the Spring Choral Concert.

MIXED CHORUS

The Mixed Chorus, directed by Mrs. Paul Ladd, met first period every day throughout the year. This group composed of thirty-seven members learned fundamentals of music and gained experience in four-part choral singing. This year, as in the past, the group served as a "feeder" for next year's Senior Choir.

The chorus demonstrated that their hard work had paid off by singing several selections at the Christmas Sing. Alan Cook was the group's accompanist.

THE CHRISTMAS SING

On the evening of December 21, 1955, in the high school auditorium, the various choral groups of the Wooster city schools joined forces to present the twenty-third annual Christmas Sing. The Sing, first held at the suggestion of the late Superintendent Clifton M. Layton, has become a traditional event of the Christmas season.

Before the program formally began, the High School Brass Choir played traditional Christmas carols. The program opened with the singing of five numbers by the Elementary School Chorus under the direction of Mrs. Helen Bitler and accompanied by Elaine Arnold. Among these were "The Bell Song" by Jules Couplet, "The Little Sheep of Bethlehem" by John Barton, and the old Latin carol "O Come, all Ye Faithful."

The Junior High School Chorus continued the program by singing three numbers directed by Miss Constance McPherson and accompanied by Sue Westhafer. An old French carol "As I Watched Beside My Sheep," "Christ's Birthday" by Claude Means, and "A Shepherd Wandered from the Hills" by Frances Williams composed this group.

The next group to perform was the Ninth Grade Girls' Chorus under the direction of Mrs. Paul Ladd and accompanied by Kathleen Young. This group sang an English carol "Never Was a Child So Lovely," "No Cradle Was There and No Fire" by L. Lehmann, and the familiar "Deck the Hall."

PEP BAND

The W.H.S. Pep Band, composed of a balanced section from the marching band, was under the direction of Mr. Nickles and student director Robert Jones. This group furnished music for the pep rallies, the home basketball games, and whenever a "small band" was needed. This group could "play 'em soft and loud," "sweet and corny," "swingy-straight," fast or slow. Their theme song *Rock Around the Clock* they could play frontwards, backwards, and in between!

SENIOR VARSITY

PLAYERS

The jubilant Generals carry the coaches off the field after the Orrville game.

VARSITY FOOTBALL

The Generals had a very fine season, piling up seven wins and only two losses and one tie. The team's head coach was Gene Coleman assisted by Ed Kane, Victor McIntire, and Roman Majerczak.

The 1955 football squad gave an indication of the fine season to follow by downing Cambridge 13-6 in a prevue game on September 9.

The opening game of the season was a 13-12 win over Dover. The following game the Generals were tied by Canton South on a very wet field, 7-7.

The Generals then won the next two games. They beat Berea 28-0 and topped New Philadelphia 26-12.

The next game was a tough loss to Canton Lehman. At the end of the third quarter of this game, the score was deadlocked at 0-0. In the fourth quarter Wooster fumbled twice which set up both scores for Canton. The game ended with Canton Lehman on top, 14-0.

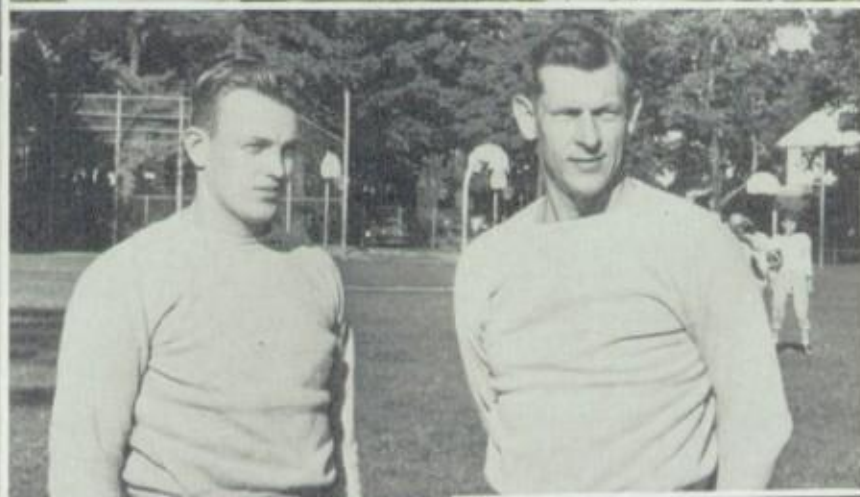

Wooster then beat Ashland 19-14 and won the American Legion trophy sponsored by the Ashland Post #88 and the Wooster Post #68. The next game was a loss to Akron Buchtel by a score of 40-26.

Wooster then won its last three games. On Homecoming the Generals beat Mt. Vernon 38-27.

In the traditional rivalry between Wooster and Orrville, Wooster won the game by a 41-0 score. The Generals also won the trophy sponsored by the Wooster Post #68 and the Orrville Post #67 by winning two games in a row from Orrville.

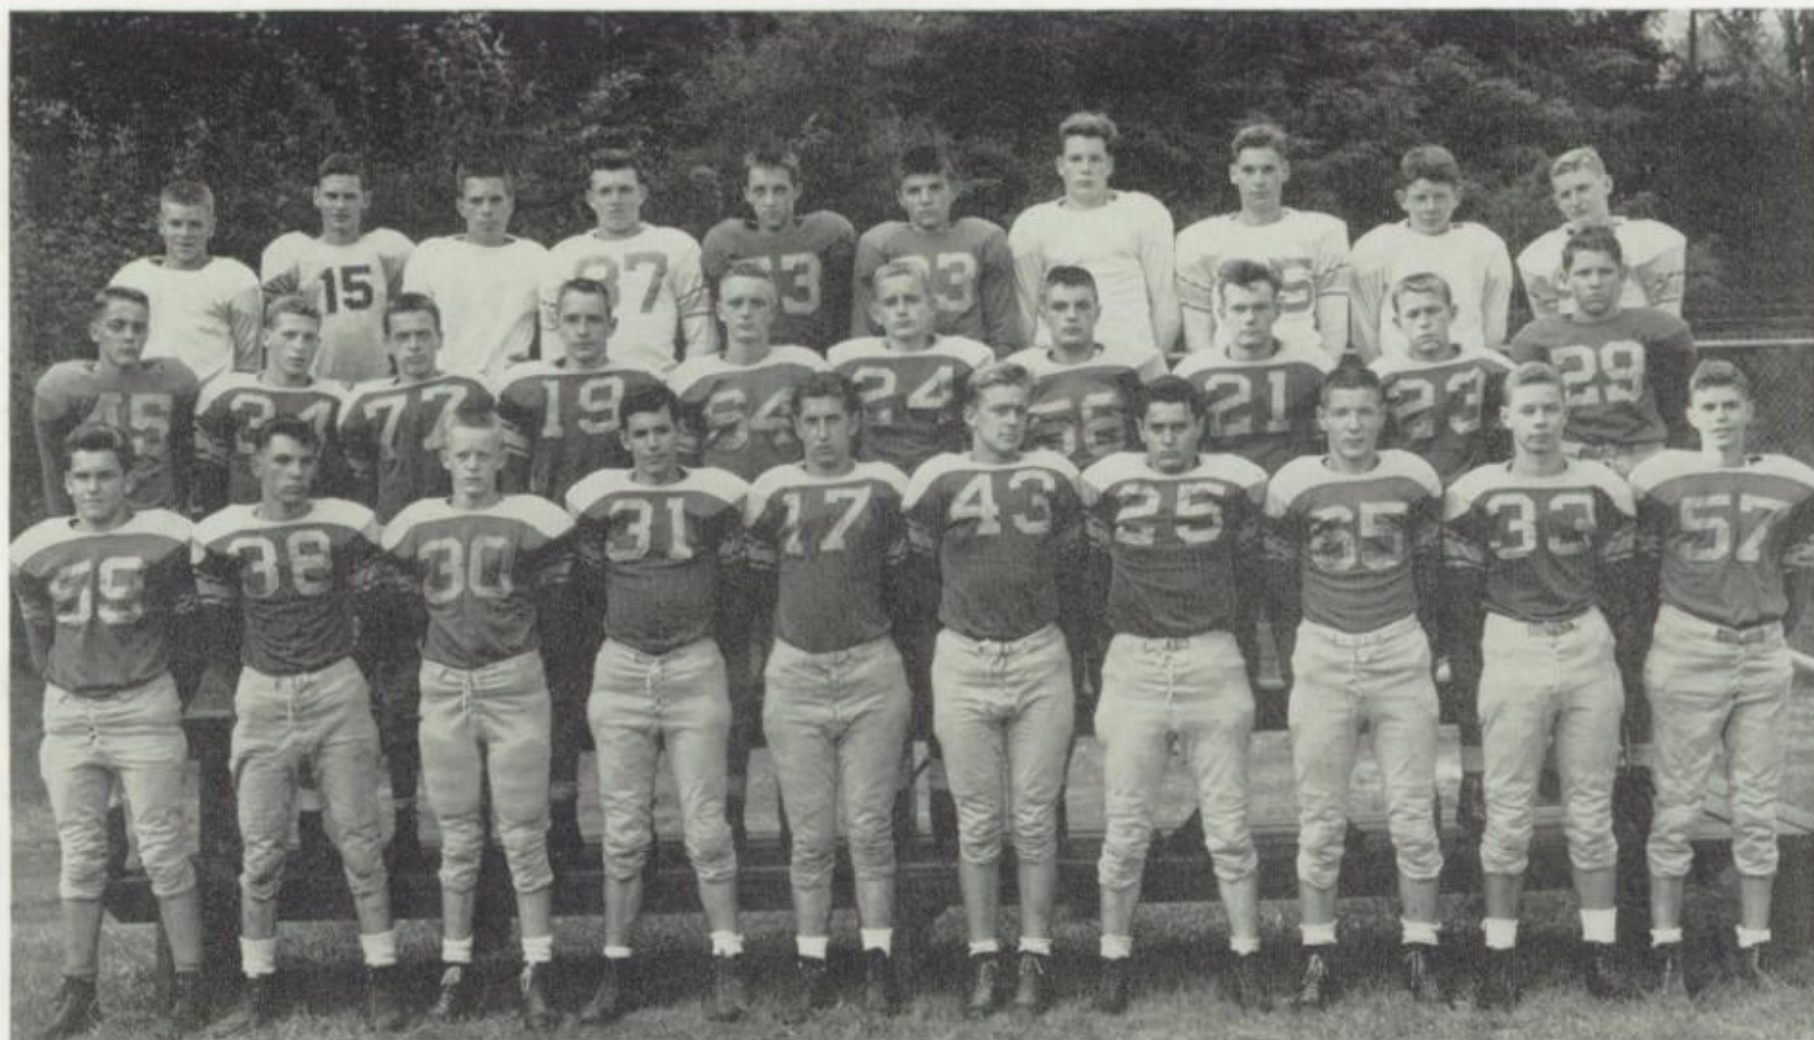

In the last game the Generals trounced Coshocton by a one sided score of 54-0.

This year's team showed a lot of spirit which helped them have a very fine season. Several underclassmen saw action this year and their experience should mean a lot to them for a very fine season next year.

Varsity and Reserve Basketball

Although the Wooster Generals won only five games out of fifteen games in the regular season, they did not lose any game by a big margin, except for the opening game. The Generals scored 907 points for an average of 61 points per game while their opponents scored 955 points to average 64 points per game.

The squad defeated Jackson Memorial, 53-34, in the district tournament but lost the second game to Canton Lincoln by only one point, 46-47.

The Generals were coached by Jim Byrd. This was his first year in this coaching spot.

A number of underclassmen saw quite a bit of action this year. This fact should provide a strong varsity squad for next year.

Senior Memories

CLASS HISTORY

It's said that history is being made all the time. As we reminisce, it seems to us that the Class of '56 has left its mark upon the sands of time at WHS. Who will ever forget the "Syndicate," or "Rock" Arnsby, or that tobagganing accident? How can we ever forget that marvelous night at the end of our junior year spent at our "South Sea Island" Prom? Our four short years came to a close on the evening of May 28, 1956. Oh, but let's start at the very beginning.

It all began as we entered our freshman year. At last we were in high school and were eligible for membership in most of the high school organizations. Many of us began studying Latin under the direction of Miss Bibbee and her long "clause." Another teacher we particularly remember was Mr. Maskas. He taught science, but was also an expert at catching students throwing paper wads in study hall. Our class had the first all-freshmen basketball team, and cheering for football and basketball games was an all-freshman squad of girls. Barb Hosmer, Nancy Martin, Pat Miller, Carol Stout, Judy Zimmerman, and Pam Traver led the yells. Chris Coolidge made All-State Orchestra and Bill Strock made his varsity letter in track. So ended our freshman year at WHS.

Next came our sophomore year, our first year as an organized class. We elected Rob Mushock as President. Other officers were Carol Stout, Vice-President; Barb Hosmer, Secretary; Pat Miller, Treasurer; Jean Merriman and Bob Danner, Co-Social Chairmen. We chose Miss Rodgers and Mr. Dodez as our advisers. At our first class party we had a talent show, emceed by Neil Craig, which featured Larry Gammertsfelder and his internationally famous "Cat Walk." The talent show was preceded by a buffet supper. Devonne Sigler, Bob Sapp, Lou Edmiston, and Jerry Gordon made their varsity football letters while Barb Hosmer and Carol Stout were chosen as varsity cheerleaders. Judy Grosjean's fine twirling earned her a position as majorette in the band. Several lucky boys and girls donned the blue and gold robes of the Senior Choir. Nancy Martin and Rob Mushock were chosen to head our newly formed Tri-Hi-Y and Hi-Y clubs with Miss Carson and Mr. McIntire as advisers. A final event of our sophomore year was the "Magna L's" Roman banquet ending two years of Latin drudgery. The highlight of the evening came when the "Roman couches" collapsed and the officers found themselves reclining on the floor. We left our sophomore year with happy memories and began looking forward to our big junior year.

We began our junior year by electing Jim Danner as President. Completing the slate of officers were Jim Schreiber, Vice-President; Carol Stout, Secretary; Grace Wyss, Treasurer; and Carol Heise and Larry Gammertsfelder, Social Chairmen. This year the Boys' "W" Association was reorganized with many of our boys as members. The football team chalked up a 7 win-3 loss record, making the season a very successful one. The climax of the season was the Homecoming game at which we trounced Orrville 13-12, while Judy Grosjean and Carl Stout, escorted by Larry Gammertsfelder and Mark Jameson, reigned as junior attendants. The marching band, headed by drum major Bob Bahl, added much to the spirit of the football season. During the summer preceding our junior year, our friend Neil Craig was seriously injured. To celebrate his birthday, the Junior Class gave a surprise party in his honor. Bob Danner filled the Hi-Y presidency which Neil was unable to assume at that time. Nancy Martin again headed Tri-Hi-Y. The Christmas Sing rolled around with the Senior Choir the best ever and Bill Parker singing one of the traditional solos. Late in January four of our girls were involved in a tobagganing accident at the Country Club. Pat Miller, Jean Merriman, and Carol Heise all received broken vertebrae, while Marolyn Moore escaped serious injury. Thus the girls spent a year in casts and braces. The speech department had a successful year with one of our lucky classmates, Judy Grosjean, winning the right to attend the national tournament in San Jose, California. In the field of athletics, Tim Johnson represented WHS at the state tourney as a diver, while our golfers, Hal Yoder, Bill Zufall, and Don Joss, won the right to represent us in that sport. This golf team was the first to go to the state tourney in many years. Increased interest in wrestling brought about the first inter-scholastic wrestling team. As the year came to a close Nancy Martin was chosen as a delegate to Girls' State, and Hal Yoder and Dave Bode were chosen to represent the school at Boys' State. The social highlight of the year was the long-awaited Prom with Jean Merriman and Judy Grosjean serving as attendants. This unforgettable evening rewarded everyone for his long hours of hard work. School was out and in three short months we were seniors.

Our final year at WHS began with the election of officers. We chose Jim Schreiber as President. Assisting Jim were Barb Hosmer, Vice-President; Connie Cummins, Secretary; Dick

CLASS PROPHECY

Looking through the ultrasonic slobscope developed in the halls of Wooster High under the combined direction of Paul S. Spangler and Floyd C. Maurer, a picture of the future comes into view. Through the bloodshot eyes of this electronic masterpiece, we behold the answer to the enigma of the future of the 1956 graduating class.

We first turn the knob of our super electronic slobscope to ten years from May 28, 1956. As we adjust the instrument, the small "city" of Smithville comes into view, and there we see Larry Battig, a new car salesman better known as "Low-deal Larry." He's arguing with Clyde Richey, now head engine consultant for the Ford Motor Company. About a mile outside of town we find Don Odenkirk, owner of a string of Texaco stations, towing "Duals" Grafton's tree-climbing car. John is now a proof reader for *Hot Rod* magazine. That car was designed by Jack Richey and Jim Fry, who run their own customizing shop. Right now Odenkirk is heading for the Wayne Auto Wrecking Company, owned by Leland Frost.

Riding along with "Duals" was the famous connoisseur of fine foods, Darlene Bell, now flapjack flipper at the Greasy Spoon. Her foot was injured in the crash, and she's being taken to see the local chiropodist, William Zufall, who specializes in fallen arches. Also in Bill's office we come upon Dick Flory, regional salesman for No-Nods, who has been troubled by his feet falling asleep. Then who should walk in but Carl Coppola, Arthur Murray's successor, who is afflicted with calluses. He got sore feet while teaching Carol Justus to Mambo.

As we look outside, we see a big black limousine pulling up to the curb. Chauffeured by Sam McAfee, this vehicle is owned by Milo Gibson, who occupies the back seat. Engaging Mr. Gibson in conversation, we find that he is on his way to MIT to consult with Dave Bode, professor of chemistry at that institution. Milo invites us to come along with him. As we travel with Milo and Sam, we manage to stop for a few minutes at Vassar, where we chat with Louis Edmiston, instructor in girls' physical education. Louie informs us that Bob Danner has just been chosen Rookie of the Year in pro basketball.

We now make a quick switch to New York. Going to Macy's we find Connie Beckler, fashion consultant. At Radio City we find that Dick Laird has replaced J. Fred Muggs as a featured attraction on Dave Garroway's "Today." His beautiful trainer is Miss Barbara Mandolin. Next the slobscope focuses on the "Ed Sullivan Show" where we're just in time to catch a joke by Jim Danner, now chief joke writer for Sullivan. A featured guest on "Flub of the Town" is Ronnie Neil, now called the "Masked Monster" of the wrestling ring. Also in the audience is Sam Dellafave, Mr. America of (?). At the Latin Quarter Barbara Richardson is scoring a hit singing "Cry Me a River." Up in Greenwich Village Juanita Kelly has become the successor to the "Old Master Painter." Just now Miss Kelly is headed for Joe's Piz-za Parlor where Theresa DiLucca is hard at work plucking anchovies.

Focusing the slobscope on the Bowery we see Nancy Martin dishing out soup at Salvation Army headquarters. In the same area Carol Good is appearing as a tap dance artist in Smokey Joe's Cafe. In the literary limelight we find Carol Tracy writing an advice to the lovelorn column for the *New York Times*, while Don Joss is now editor of *Esquire*. Rosie DiOrion is now editing *True Magazine*. The international field has claimed Barbara Hayden who is now an interpreter at the UN, specializing in Hindustani. Christine Coolidge, who has achieved great fame as a concert pianist, is currently appearing at Carnegie Hall. Just before leaving New York, we see Bob Sapp, captain of a whale boat just in from the South Atlantic.

A quicker flash to Antarctica shows Pat Raucci teaching penguins how to hit high C. Moving toward Italy, who should we see but Annette Costanzo, second woman ambassador to that country. Next, around the world to India, where we find Dick Taggart training to be a Yogi. Crossing the Pacific, we pass John Kauffman, who runs a lemonade stand on a deserted island.

As we approach sunny California, we are struck by the form of Larry Webb, beachcomber. Journeying to Hollywood at the corner of Hollywood and Vine, we find Connie Cummins operating a pet shop. On the opposite corner stands Sally Dicus, salesman for Geritol. Then who should run up but Judy Brenner, Western Union messenger. Looking farther, we find that Vera Ferris has replaced Hedda Hopper, and that Marilyn Sidle is singing duets with "Tennessee Ernie" Ford. Nancy Piper has become a model for Breck Shampoo ads, while Sue Riggle has graduated from Powers' School of Modeling and is currently working for *Vogue*. Mary Ives is teaching dramatics at the Pasadena Playhouse, and Larry Hothem is announcing horse races down at the Santa Anita. Up in San Francisco's China Town, Marilyn Horn is managing Too Yoo's Chinese Laundry. Virgil Thomason, after receiving his degree in electrical

QUEEN PAT REIGNS

Pat Miller reigned as the 1955 Homecoming Queen at Maurer Field the night of November 4. She was crowned by the football co-captains Rob Mushock and Dick Taggart.

Judy Grosjean and Carol Stout, junior attendants last year, served as Pat's senior attendants. Judy was escorted by John Kauffman, and Carol by Jim Schreiber. Margie Moritz, escorted by Jim Veney, and Mardie Wertz, escorted by Dave Briggs, were the junior attendants.

The Homecoming royalty was chosen from twelve candidates by a vote of the freshmen, sophomores, juniors, and seniors in an election held October 21.

Before the Homecoming clash with Mt. Vernon, the Queen and her court rode around Maurer Field. Bernard Gay, Inc., Mercury dealer, provided two new Mercury convertibles for the parade. Mr. Gene Coleman donated the third car.

After the game, the Queen cut the traditional Homecoming cake at the dance in the high school auditorium.

TRI-HI-Y

(continued from pages sixty and sixty-one)

The purpose of the Tri-Hi-Y is "to create, maintain, and extend throughout the home, school, and community, high standards of Christian character." This club is formed of girls who are brought together for meetings of both service and pleasure.

The Big-Little Sister picnic, which was held the first Tuesday in October, gave new members a chance to get acquainted with the club. In November the annual Candlelight Induction Service was held. This service inducts both old and new members into the club. Over the year the Tri-Hi-Y sponsored an all-school Christmas Formal and a Christmas assembly. Within their own clubs the three clubs held a Father-Daughter Banquet and a Mother-Daughter Tea.

The Tri-Hi-Y Clubs contributed to the Red Cross, Community Chest, and Tuberculosis funds. They also collected clothes and canned foods in the fall for the needy families of Wooster.

In order to earn money for their clubs the girls sold football programs last fall, and in the spring they sold plastic dish towels.

During the summer the clubs sent several representatives to Camp Nelson Dodd, a camp organized to help the officers of each club to understand their jobs better.

CHRISTMAS SING

(continued from page eighty-eight)

Following was the High School Mixed Chorus directed by Mrs. Ladd and accompanied by Alan Cook. Two French carols, "Bring a Torch, Jeannette Isabella" and "Ding-Dong! Merrily on High," and "Christmas Roundelay" by Ruth Young made up this group's part of the program.

The final group to perform was the High School Senior Choir also directed by Mrs. Ladd and accompanied by Christine Coolidge. The four numbers sung by this group were an Appalachian carol "I Wonder As I Wander" with Barbara Richardson as soloist, Mendelssohn's "There Shall a Star Come Out of Jacob," an old French carol "Now the Holy Child Is Born," and finally Handel's "Hallelujah" from "The Messiah."

The combined choruses under the direction of Mr. George K. Nickles, Supervisor of Music, concluded the program by singing the traditional three closing numbers. Patricia Raucci, senior, and Dennis Wells, sixth grader, sang the solo parts in "The Birthday of a King." The audience joined the massed chorus in singing "Silent Night," "The Cantique de Noel" with soloists Susan Conrad, freshman, Marilyn Sidle, senior, and Roger McManus, junior, was the final number on the program.

SWIMMING

(continued from page one hundred six)

The Wooster tankers, coached by Paul Ladd, finished the season by having three wins and five losses.

Ron Sprowls, Dave Diehr, Ron Finley, Gene Gordon, Dewey Young, Gary Sprague, and Jim Veney went to the district meet. All these boys qualified for the state meet.

At the state meet, Ron Finley placed fourth in the 200 yard Free-Style to put Wooster in a tie for twelfth place in the state meet.

There were a few underclassmen who saw quite a bit of action this year. This should help to make a fine swimming team next year.

WRESTLING

(continued from one hundred six)

By having a very small schedule, the Wooster matmen did not have too much of a chance to show their ability.

The matmen won the Hiram College Invitational and entered the Southeastern Ohio Regional at Kent.

Many underclassmen saw action this year. This fact will provide a more experienced team for next year.

CLASS HISTORY

(continued from one hundred twenty)

Taggart, Treasurer; and Annette Costanzo and Hal Yoder, Social Chairmen. Jim Danner added two more presidencies to his growing list—Student Council and Boys' "W." Our football team captained by Ron Arnsby and Devonne Sigler sported a 7-2-1 record. We think Pat Miller made the nicest Homecoming queen ever! Pat's attendants were Judy Grosjean and Carol Stout. The marching band was better than ever with Judy Grosjean as head majorette and Bob Bahl as drum major. This year the Hi-Y and Tri-Hi-Y clubs were headed by Don LeFavour and Judy Sherred. Our musical organizations were headed by Dick Ramsey, Choir; John Winter, Band; and Malcolm Litwiller, Orchestra. In the spring Don Joss was elected president of National Honor Society. At Christmas time the Tri-Hi-Y clubs sponsored a fabulous Christmas formal and Marilyn Sidle, Pat Raucci, and Barbara Richardson sang solos at the Christmas Sing. As basketball season rolled around, the Generals went to work under their new coach, Mr. James Byrd. At the season's end Bob Danner was chosen honorary captain of the team. Al Myers was chosen captain of the wrestling team for its second season. The "W" Girls, under president Carol Heise, initiated 21 new members into the club. This was the largest number of initiates in the history of the club. As time grew shorter we were honored at the many spring banquets, but particularly at our own Senior Banquet. Just a few days before graduation we wore ourselves out at the all-night Junior-Senior Prom. Soon came the night which we had all been waiting for—Commencement. It was probably the happiest occasion we had ever experienced, and yet, perhaps it was also the saddest. Our days at Wooster High were over; all we had left were the fond memories. These no one can ever take away. They belong to us, the Class of 1956.

engineering from Cal Tech, has gone on to achieve great fame with his latest invention, the fool-proof electric chair. Hal Yoder has become the new owner of the Conrad-Hilton hotels, while Donna Leiner has accepted a position as head candy taster for the Russell Stover candy industry.

Looking around the nation, our slobscope reveals Hazel Vaughn, Helen Weaver, Pat Miller, Kathy Schafrath, Janet Wirt, and Lorita Miller making contributions to society as Registered Nurses. Helen Miller and Peggy Sperry have become the highest paid secretaries of the year, and Kay Kiefer has accepted a secretarial position at the Ford Motor Company. Anita Graber has replaced Betty Crocker, and at the same time, Mary Tomasetti has become assistant to Chef Bou-Ar-Dee. Another graduate of WHS who is engaged in a culinary vocation is Ron Randle, taffy puller for the Brach Candy Company.

Mark Jameson has achieved national fame as author of a best-seller, *Who Said That*. Bob Hastings has recently been named "Farmer of the Year." Judy Grosjean is hard at work as a social worker, Janet Butdorf is busy composing scholarship tests, and Helen Carwile has been elected president of NEOTA. Grace Wyss's latest accomplishment is her invention of a braille television set for the blind. Switching to the field of entertainment, we find Margaret Litwiller stringing fiddles for Florian Zebach, and see that Bob Jones has gained fame as the leader of that "hot" band, the "Licorice Stickers." Susan Cahill has become Mary Hartline's understudy, while Owen Massaro has assumed the same position with Marlon Brando. Malcolm Litwiller and Ralph Numbers are giving "Mutt and Jeff" some competition in the daily newspapers. Roger Shearer has followed his love of "rodding" to the top and has recently become one of Ward Beam's daredevils. Charlotte Romanchik and Judy Sherred are both members of the same women's professional basketball team.

Now to glance back at the Buckeye area. First we find Rob Mushock as head engineer for the Ohio Department of Highways, and Duane Hart twisting pretzels for Dan-Dee. At Mansfield Nancee Johnson blows light bulbs for Westinghouse. Judy Kaufman is, at present, teaching kindergarten at Lehman High, Canton. In Cleveland we find Nelson Everhart as a famous designer of motorcycles for the Harley-Davidson branch office, and Barbara Burns as head librarian at the Cleveland Public Library. Dick Becker is employed in this thriving metropolis as a professional baby-sitter. Don Egbert is raking in the loot as a high pressure salesman for Fuller Brush. Margaret Lang is currently seen at Halle's Westgate store modeling the "Slenderella" fashions. Bill Pagniano is a clerk at "The Big Man's Store," and Bill Strock is teaching speech for the Dale Carnegie school. Judy Zimmerman and Bernie Bresson are hair stylists in the Joe Portaro shsops. These shops are found all over Cleveland. While stopping in to see the girls, we chat with John Nolletti and Ronnie Smith, who have dropped in for a manicure. We then go on to hear the music of Larry Saunders, the new kingpin of "Jazz Land." Moving toward the outskirts, we come upon Virgil (Rats) Bonham, chief cheese taster at the Kraft Cheese Company. He tells us that his friend Tony Bible is a fisherman at the Blue Hole. As we leave the cheese company, we find Gerald Stair in the office. He is research director for the National Dairymen's Association. He tells us that Al Myers is leading a nation-wide revolt for higher farm prices.

Next the slobscope focuses upon Larry Gammertsfelder, who is a clothing consultant for Hart, Schaffter, and Marx. He tells us that Clayton Mowrer is a house-to-house salesman for the *World Book*. Barb Hosmer is now the proprietor of the Half Moon Riding Academy, while Dorothy Freeman, a female bookie at the Wayne County Fair, also teaches at the Academy in her spare time. All of a sudden our instrument focuses on Podunk Tech where Bob Bahl has recently been promoted to head drum major. We find Hank Kauffman teaching ballet at this institution also.

A few important bulletins have just been brought to our attention. Carol Stout has just swum the English Channel in record time! Linda Mowrer, a well-known missionary, has been devoured by a fierce tribe of cannibals in South America. A woman senator from Ohio, Miss Annette Sperry, has just completed the longest fillibuster on record. She talked for two days, nine hours, and seventeen minutes. Back again to the sports world, we hear that diver Tim Johnson has been chosen a member of the Olympic team.

Next we and the slobscope hop a plane for Texas. As we ascend, we catch a glimpse of a rocket shooting by. We are informed that it is "Planets" Mullen on one of his routine searches for a new planet. When we land in El Paso, we are met by Dick Ramsey, one of Billy Graham's disciples. He tells us that Jerry Gordon is employed in El Paso as a playground instructor. Just then we hear a flash bulletin—Rich Tomasetti, special investigator for the

border patrol, has caught Mon Levine smuggling colored thread from Mexico into the U.S. On the return trip we are seated beside Don Lonier, insurance salesman in Martinsville, Tennessee. He tells us that another Woosterite, Diane DuBreuil, is an X-"Ray" technician in Martinsville. Our plane stops in Columbus for refueling. While we wait, we run over to the "Gaiety," where we find Janet Butler working as a stage hand. Because we were so engrossed in our conversation with Janet, we missed the plane. Deciding to take a bus, we walked toward the bus stop. We were amazed at the number of signs advertising the hair styles of the nationally known Don Seatter. On our way home from Columbus we were forced to make a detour near Mount Vernon because the Freeman Construction Company, whose president is Jerry Jones was replacing a bridge. This detour caused us to approach Wooster by way of Apple Creek, where we find Isabella Vizzo, the local fortune teller. Izzie tells us that Connie Ellsworth has joined the Wacs to see the world in a jeep. We also learn from her that Evelyn Englander has moved up to first chair harp in the Angel Band. In Guerne we buy a newspaper whose headlines read "Richie Schie Soon To Be Heard in the Leading Role of 'Drumbeats in the Jungle'." This is a soap opera we certainly will want to listen to daily. As we leave Guerne, we see Harold Markley, "white-collar" worker for the "Berkshire Shirt Company." Just as we approach the Wooster Cemetery, we come upon the Hostetler Chemical Company where explosive expert Gary Fisher is employed. We see Roy Dugan hard at work next door trying to develop a snapless snapdragon.

Finally our slobscope returns us to dear ole Wooster where some of our graduates have remained. First we notice the crowd lined up in front of Benny's Billiard Hall, owned and operated by Milo Messmore. As our taxi, driven by Jill Dunn, stops for a red light, we see Boy Scout Troop 66 crossing the street with Scoutmaster Carl Schmid bringing up the rear. We find at WHS that Wes Walter has replaced Mr. Coleman as head coach, while Ron Arnsby has taken Mr. Spangler's place. Looking around the institutions of lower learning, we see Joan Domhoff teaching second grade at Layton, and Shirley Boreman running Kiddie Kollege. Down at Ray D'Amours, Brad Stoddard is tap dancing instructor. While chatting with Brad, we learn that Jim Schreiber is the new editor of the popular *French Horn Weekly*.

Since we've run out of space, there are a few lucky Soul's not mentioned; however, rest assured that they have found occupations just as respectable as the others mentioned. Class of 1956—this is your look into the future as seen by our reliable slobscope. Enjoy it while you can, because "This Is Your Life!"

BAND

(Continued from page eighty-six)

Moving indoors for concert season, the band lost no time in getting to work. The annual band concert was given on May 11. The more memorable selections of this year's works were "Light Cavalry Overture," "Staccato," "Fandango," "Neapolitan Rhapsody," and "Death and the Maidens."

A brass ensemble from the band was formed to play Christmas Carols each morning the week before Christmas vacation as a greeting to the students as they came to school and again the night of the Christmas Sing. A brass quartet and a flute trio were formed for contest work.

As usual, the band participated in the Halloween Parade, the College of Wooster Pep Parade, and the Memorial Day Parade.
